As the number of clients we serve continues to grow, Hospice Care of Southwest Michigan is excited to add an additional **Nurse Practitioner (NP)** to our established clinical provider team. The Nurse Practitioner, under the supervision of a physician, provides hospice and palliative care through evaluation and assessment, management of health issues, consultation with clients, families and other healthcare practitioners and the development of the plan of care including the establishment of immediate and long term goals. The NP will perform client visits as necessary for symptom management, to complete comprehensive face-to-face visits for clients requiring certification and recertification, and for evaluating hospice eligibility. This position is scheduled to work Monday-Friday and participates in the after-hours, on-call provider rotation which includes weekends and holidays.

Requirements include:

- Current Nurse Practitioner licensure with Family, Adult or Geriatric certification.
- Three (3) previous years of experience as a Nurse Practitioner, preferably in a hospice, palliative care or geriatric primary care setting.
- Current BLS certification required.
- Passionate about quality end-of-life care.
- Experience in pain and symptom management.
- Experience working in a team environment.
- Must be an authorized provider to bill Medicare and Medicaid.
- Must have a valid driver's license and access to reliable and insured transportation.

Some of the benefits you'll enjoy:

- Competitive pay
- Generous PTO allowance
- BCBS PPO Medical
- Dental
- Vision
- 403(b) retirement plan with company match
